MEMORANDUM FOR: Assistant Director for Research and Reports

SUBJECT: Allocation to ORR of Production Responsibility
for NIS Sections 41, 44, and 46
on Sino-Soviet Bloc

1. It is my understanding that the Office of Research and Reports will assume the production responsibility on 1 July 1961 for the following NIS sections on the Sino-Soviet Bloc pursuant to the transfer of NIS functions from State to CIA:

Section 41 (Population)
Section 44 (Manpower)
Section 46 (Welfare)

2. The annual production requirement for the bloc areas is two each of the subject sections, or a total of six sections a year. The following production schedule for FY 1962 has been developed in coordination with your staff:

			Delivery to CBI	
Section 41	NIS 13A	East Germany	April	1962
	NIS 23	Bulgaria	May	1962
Section 44	NIS 19	Hungary	March	1962
	NIS 23	Bulgaria	April	1962
Section 46	NIS 23	Bulgaria	March	1962
	NIS 13A	East Germany	May	1962

3. Your confirmation of these allocations of production responsibility and the FY 1962 production schedule is requested in order that the NIS Committee may formally consider them for approval.

4. I particularly welcome this increased NIS participation by the Office of Research and Reports in further strengthening the research and production support to the National Intelligence Survey.
